

Are Your Benefit Plans in Need of Compliance Review?

If you offer employer-sponsored benefit plans to your employees, you must always be aware of changes to current regulations and additions to these laws. Keeping track of regulations is an arduous task, especially for small companies with little HR support. We can work with your organization to keep you informed of any applicable changes and help you stay compliant with both state and federal guidelines.

Our team of experts will ensure your plans comply with the appropriate state and federal regulations, including the Affordable Care Act (ACA), the Consolidated Omnibus Budget Reconciliation Act (COBRA), Health Reimbursement Arrangements (HRAs), Health Savings Accounts (HSAs), and Flexible Spending Accounts (FSAs).

Legislative Awareness

Our Benefit Compliance program will update you on pending legislation and new laws, advise you on federal and state regulations, and prepare ERISA 5500 filings.

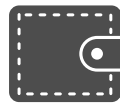

ERISA Compliance

ERISA is complicated, and many employers are unsure whether they are fully compliant. Our ERISA compliance package will bring you peace of mind.

ACA Compliance

Companies face greater risks due to the complexity and increased responsibilities of the ACA. Our resources, technology, and expertise will ensure you remain compliant.

COBRA Compliance

We're familiar with the subtleties of COBRA and can relieve you of having to deal with the details of administering the plan benefits.

Manage Employee Notifications

We'll keep you compliant with important benefit-related notifications such as WHCRA notices, CHIPRA notices, Medicare Part D, Patient Protection Choice of Providers, and HIPAA compliance.
