

Improve Your Company's HR Function at a Fraction of the Cost

Staying on top of the HR compliance requirements can be a challenge and many organizations struggle to find expert answers without adding staff to their organization.

You'll feel more confident about the HR decisions you and your team make, and be able to make them faster with access to our best practice resources.

Our Virtual HR services offer you and your team access to HR experts as needed, without the overhead and cost of adding to payroll. We provide you with access to expertise and best practice guidance to help you tackle your most complicated HR issues.

Enhance your Virtual HR services with any of our additional offerings, such as customizable staff trainings, recruitment services, compensation benchmarking, leadership coaching, employee engagement surveys, and much more.

Live Phone and Email Support

Stop wasting time and effort researching employment laws and guidance online only to wonder if the information is correct. Our experienced team is always available via email or phone to assist you with your HR needs whenever they arise, no matter how complicated they are.

Federal & State Labor Law Poster Update Service

Federal and state labor laws require employers to inform staff of their rights. Ensure compliance with our convenient all-in-one federal and state labor law poster subscription service, which includes an annual poster and updates as they occur.

HR Assessment

The Virtual HR process begins with a review of your organization's current HR policies and practices. Compare your current HR practices against standard best practices to see how you measure up.

Proactive State & Federal Compliance e-Alerts and Newsletters

Timely, comprehensive e-alerts and newsletter provide best practice information to complete your everyday employee management tasks and get the most out of your workplace.

Training

Our training experts provide monthly live webinar-based training opportunities to your managers. We also host quarterly breakfast and learn programs to address HR hot topics.

Employee Handbook Review

We'll work with you to develop a comprehensive Employee Handbook that includes HR policies and practices that are sound and compliant with current state and federal regulations.

HR Compliance Library

Looking for a template policy, forms, or other HR reference materials? With our best practice resource library, you can save time by finding the right information you need every time.
